Polish Chicago: Our History, Our Recipes

Synopsis

Polish Chicago: Our History - Our Recipes is the most ambitious work on the Polish community of Chicago to date. Author Joseph W. Zurawski, a historian, educator and author of the Polish experience in both Poland and America for almost 50 years, brings a wealth of insight and knowledge to this groundbreaking work. By elegant prose and stunning photograph (often rare and previously unseen), and poignant personal profile, Zurawski documents the full dramatic saga of Chicago's Polonia. In free and optimistic Chicago, these Polish Americans not only supported their beleaguered homeland, they also forever enriched their new home by contributing their tremendous work ethic, unending patriotism, fervent faith, tireless charity and beautiful culture to create a vibrant and ever-evolving Chicago Polonia. Polish Chicago: Our History - Our Recipes recounts the amazing story of these indomitable people. Moreover, for many food is simply nourishment, but for Polish Americans, food means family. It is a means by which to share with others, celebrate tradition and show affection. Thus, this book highlights culinary contributions by turning an inviting light onto 12 of Chicago's award-winning Polish eateries, with each providing recipes of their excellent fare. As an added bonus, 24 Polish-American Chicagoans have opened their kitchens and their hearts to readers. Each shares family recipes along with cherished family photographs and private family stories, some whimsical, some poignant, each offering an authentic glimpse back into worlds often hidden to the readers by time, political walls or both. Brought to you by G. Bradley Publishing of St. Louis, in cooperation with The Polish Museum of America, Polish Chicago: Our History - Our Recipes is a handsome, 240-page hardbound volume containing 720 rare historical photographs and exquisite food photographs shot by nationally renowned photographer Katherine Bish.

Bought this for a table book for my father. He grew up in the old Chicago Polish neighborhood. He just couldn't put the book down! He was amazed at how every page of the book hit home. The author put into print all the words and stories Dad told. Would strongly recommend if you want to know about the Polish life in Chicago, IL.

My boyfriend loves to cook and grew up Polish-American in Chicago. He loved all the beautifully illustrated photos and recalled many places that were featured. It's a lovely, sturdy coffee-table like book. He was really thrilled to receive this and didn't realize there was any book out there such as

this one. I think it would be great for any Chicagoan. Really super recipes too!

Great Book

Purchased this as a gift for my Dad for his birthday. He is in his 80's and hard to buy for. I was a little worried because he doesn't read much, but he really loved this book. It brought him back in time to when he was a little boy growing up in Chicago in a polish neighborhood. I keep borrowing it too, for the wonderful recipes!

I enjoyed this book...all my relatives lived in and around Chicago in the Polish communities. My grandparents came from Poland.

Amazing book with many pictures of Polish Chicagoans and important places. Great recipes.

My husband is from Poland. He loves it!

The book on Polish culture in the Chicago area was a big hit for my brother-inlaw as a Christmas gift. His family is from the area and the recipes were very familiar to him. He has made several old polish dinners and he really enjoys sharing the book with his family. Thank you, Eileen
