Maggie Chow or Chef Maggie Chow as she likes to be called. Is the author and creator of your favorite Easy Cookbooks and The Effortless Chef Series. Maggie is a lover all things related to food. Interestingly she is a vegetarian and prefers to avoid meat. So rest assured that her veggie based recipes will be delicious! But don't worry because she is master of cooking savory and delicious

meat based meals as well. Maggie loves nothing more than finding new recipes, trying them out, and then making them her own, by adding or removing ingredients, tweaking cooking times, and anything to make the recipe not only taste better, but be easier to cook. Check out Maggie's Facebook, Twitter, and her blog and be sure to like and subscribe!

I can't wait to try those recipes. They all sound really great. There's a lot of good recipes and they're definitely recommended. I really like how this book is organized and tons of amazing recipes and here. I would never knew when New England had such type of food. And I love Seafood!

Terrible, any book that has canned condensed soup and garlic powder for ingredients, is not a CookBook. My wife was insulted that I gave her this book.

Love the chowder! Hot and hearty recipe that will warm you up on cold winter days.
