Stupid! Don't waste your money

This is Not a book for a Michigan fan...guess the joke was on me...returned.

I wish the title of this book listing included a gag gift title. Assumed it was a legit book but my dad still got a laugh.

False advertising. Hundreds of pages of "this page left blank due to lack of reasons".

I was hoping it was more like funny reasons why M was better than OSU, since my husband loves M and I root for OSU, but instead the joke was that all the pages were blank because there were no reason why M as better than OSU.

This pathetic volume tragically illustrates the functional illiteracy of most OSU alumni, but I must applaud Mr Slutsky's effort in completing the cover before he reached his intellectual limitations, or perhaps simply became overwhelmed by his chosen topic. Most Americans only moderately familiar with either university could speak authoritatively for hours on the glaring inferiorities of OSU and don't require a primer on the topic. Those of us who had the privilege of attending UM would be able to debate our obvious superiority for weeks, if not months, but we have nothing to prove and much better things to do. Like prepare for November 25th. Go Blue!

I should've read the reviews that this is not a book for Michigan fans before I bought it as a gift for my dad. I thought it was going to have statistics and funny reasons why the University of Michigan is better than Ohio State. I was disappointed, but my dad got a laugh out of it. I'm going to offer to return it and get him something else.

Funny, Funny, Funny! This is the PERFECT gift for Ohio Fans. And, yes, the words just fly off the pages.
