A Merciful Truth (Mercy Kilpatrick Book 2)

Synopsis

An *Charts and Wall Street Journal* bestseller. Raised by a family of survivalists, FBI agent Mercy Kilpatrick can take on any challenge—even the hostile reception to her homecoming. But she's not the only one causing chaos in the rural community of Eagle's Nest, Oregon. At first believed to be teenage pranks, a series of fires takes a deadly turn with the murder of two sheriff's deputies. Now, along with Police Chief Truman Daly, Mercy is on the hunt for an arsonist turned killer. Still shunned by her family and members of the community, Mercy must keep her ear close to the ground to pick up any leads. And it's not long before she hears rumors of the area's growing antigovernment militia movement. If the arsonist is among their ranks, Mercy is determined to smoke the culprit out. But when her investigation uncovers a shocking secret, will this hunt for a madman turn into her own trial by fire?

Customer Reviews

This book encompasses the complications of family relationships along with a murder mystery that intertwined with stories about survivalists. While I found all the background about survivalists and

their beliefs to be rather boring at times, the story reflects the beliefs of some far fringed groups in the US today. I found the story a little sappy due to the interaction with her brother that had ostracized her for years and suddenly came to see the "light" which is the reason for the 4 star rating.

Great story. Awesome book. Will probably read it again. Hope there is more on Mercy and Truman. I couldn't put it down!

Good story about interesting characters with intrigue and romance. I enjoyed the characters and their background stories and how their histories affected the primary story.

It's the best. Thank You.

I immensely enjoy all of Kendra Elliot's books! I am thoroughly enjoying the Mercy Kilpatrick series. Kendra Elliot is an automatic pre-order for any of her books!

I like Kendra Elliot's writing. It is full of self reflection and the personal growth of the characters. The plot moves well and it doesn't drag on and on. Good read.

I can not read any of her other books because they are audio books , I truly did enjoy this book, The story and characters were very good, I am so sorry I can not get the rest to text to speech, I would love to buy them any and listen/read them. Excellent author and ending to the story.

Everything Kendra has written has been outstandingly good...she's one of those writers that even if she wrote a bad book she'd still be better than 98% of the others...she's that good, her characters amazing, her storylines gripping.
