Customer Reviews

This is standard Schirmer's quality, which will do for a beginner's book and the violin part has its own book. The pieces are just right for myself, a second-third year adult beginner, ranging from easy to challenging but within reach.

As usual this edition is a bit crowded, but it has all Seitz concertos for my daughter to learn. We went with g-minor - beautiful piece.

Beautiful piece!

5 star. will buy next time. excellent. Love my bread product. It does its job well. my brother need so cool product,
