Roland Barthes By Roland Barthes

Synopsis

First published in 1977, *Roland Barthes* by Roland Barthes is the great literary theorist's most original work—a brilliant and playful text, gracefully combining the personal and the theoretical to reveal Roland Barthes's tastes, his childhood, his education, his passions and regrets.

Customer Reviews

In *Roland Barthes*, the critic has at last turned toward himself as the text to be studied. The result is a highly unconventional 'autobiography' (splendidly translated) which is brilliant and baffling by turns. —The Washington Post

Text: English (translation) Original Language: French --This text refers to an out of print or unavailable edition of this title.

This is an autobiography to measure others by, a wonderful book. Barthes wit and wisdom shines through. The pictures show a side of life that makes you wonder about your own past.

For the Roland Barthes fan—or any budding postmodernist—an absolute must read. Strange, often baffling, Barthes uses the "autobiographical" form to write what is part criticism, part poetry, part myth and part "true story"—if its not too unpostmodern to even use the word true. The title suggests it all—Barthes becomes his text, and vice-versa. Not a beach read, for sure, but very interesting

nonetheless.
