Synopsis

The fifth edition of Time Out Milan is the ultimate companion to Italy's northern gem. Food, fashion and finance may be the city's mainstays, but this guide takes you further, covering new boutique hotels, the expanding music scene and the revived, world-famous La Scala. Side trips to picture-perfect lakes and historical cities are also featured.

Customer Reviews

Time Out Guides are written by a team of local journalists.

This takes the cake as the travel guide (of the moment) for Milan. I also used the DK Eyewitness and the Wallpaper guide, but this handsome little volume put them both to shame. (Lonely Planet only has an abbreviated guide for Milan and the lakes that wasn't highly recommended by other users, so I forewent that guide altogether.)Not only is this guide full-color and chock full of beautiful photographs, it covers all the basic tourist sites (with up-to-date, practical visitor information and side bars on Italian history and culture), but it includes a lot of recent cafÃ©s, restaurants, shops, and events that the other guides don't even come close to mentioning. It's organized by neighborhood, and was clearly written by a native English-speaker who knows how to write for English-speaking audience. (I'm convinced the DK Eyewitness guide was translated from Italian. I read it cover to cover and learned nothing; it's an impenetrable maze of names of artists and architects and dates. AHH!)If you purchase only one guide for Milan, I recommend TimeOutÃ¢Â Â"especially if you're young, on the go, and interested in the Milan of today, as well as

historical Milan. It was published a few years ago, and remains pretty relevant now. I'd guess this book will probably remain fresh enough to be an enormously useful resource on a visit to the city through 2017?

Very detailed book with great recommendations! Have used Time Out Guides in other cities we've traveled to, and the Milan edition didn't disappoint!

GOOD

Everything you need to know, clearly laid out - Love all the Time Out guides, especially when traveling with my teenagers, it makes me look very hip and worldy
