Customer Reviews

Hope S. Warshaw, MMSc, RD, CDE (Alexandria, Virginia) is a nationally recognized author and expert on healthy eating and diabetes who has counseled people with diabetes for more than 20 years. Karmeen Kulkarni, MS, RD, CDE, (Salt Lake City, Utah) is a member of the diabetes team for the Diabetes Center at St. Mark's Hospital in Salt Lake City and has more than 20 years of experience in diabetes and nutrition. She is next president, Health Care & Education of the ADA.

Love it!

Good book--lots of useful info.

I highly recommend this book for educating yourself about carbs - diabetic or not. I ordered it to learn how to cook for my diabetic friend, and ended up getting so much more from it.

Informative, but not easy to get carb info.

Item as described, quick delivery.

This book gives a complete guide on how many carbs are in the food we eat everyday. You never have to guess on how many carbs a certain food has in it. All diabetics should have this book....Fast shipping..

Book was update on information. Had a lot of good information. Any one that is having trouble managing their diabetes this book would help.

ADA Complete Guide to Carb Counting is an excellent refresher on Carb Counting for the Diabetic. I have been insulin dependent for decades but when blood sugar started going up I was back to counting carbs for my doctor. I needed a refresher course. This was perfect and a good reference to have on hand.
