Customer Reviews

The first edition of this book was titled Alaska's Parklands (ISBN 0-89886-053-9). The new, second edition features 150 b&w photos and 34 maps, and covers 21 additional parklands.

Nancy Lange Simmerman has illustrated and written articles on Alaska and other outdoor subjects in numerous outdoor magazines. A resident of Lummi Island, Washington, she is co-author of 55 Ways to the Wilderness and an illustrator of Alaska II and Southeast Alaska, two large-format pictorial books. Tricia Brown is an award-winning writer, photographer, and editor. She has written for numerous publications including the Anchorage Daily News and Alaska magazine. She lives in Anchorage, Alaska.

Definitely worth buying this book for all of the detailed information on Alaska. The sheer number of parks, recreation areas and wildlife refuges is staggering; but this book allows you to have good information right at your fingertips. If you can find a copy from a used bookseller, like I did, it is an absolute STEAL!
