Its barons , 3 took, 3 passed so it worked

These are the guides I used in school and bought this for my daughter to take her regents.

It's a study guide, can't get too excited about it! Lol!

It's a good book but here it says they have till June 2012 but the one I received was until 2010 and I'm kind of annoyed from this being that I'm taking the 2013 regent

My son past this Regents as well

hope it helps

It is a book of sample tests. There is no other book.

My daughter used this book frequently as part of her preparation for the Regents exam.
