there was black marker scribbles on the periodic table of elements, but other than that the book is in decent condition and was pretty cheap.

It is a Physics book in good shape and will do the job this school year.

It is exactly what was needed.

Great condition! Thank you!

good

Book came in exactly 2 days and it was exactly what we needed. It was in really good shape.

good book and fast shipping. thanks.

Brought it like new looked brand new
