# Walks And Rambles In Rhode Island: A Guide To The Natural And Historic Wonders Of The Ocean State

## Synopsis

This wooded and watery corner of New England has become, in the latter part of this century, a veritable paradise of recreational opportunities, offering boating, beaching, birding, and - unknown to many before Ken Weber's books came on the scene - wonderful walking. Through his columns in the "Providence Journal" and his books, including the recently published companion volume to this one, "More Walks and Rambles in Rhode Island," Ken has educated Rhode Islanders to the joys of this gentle sport. This second edition has been thoroughly updated by the author - almost half the walks have been substantially revised. Each of the 40 walks includes a map, hiking times and distances, an overview of the special features of the walk and its level of difficulty, directions on getting to the trailhead, and a two - to three-page description. There is also tremendous diversity to these 40 outings: one can choose from beach walks, woods walks, wetlands walks, and even island walks. Many of them, moreover, are suitable for families with children.

## Book Information

Paperback: 192 pages

Publisher: Backcountry Pubns; 2nd edition (May 1993)

Language: English

ISBN-10: 0881502618

## Customer Reviews

I love this book because I have been in the house with an illness for almost 5 years and have not gone to those special places that I want to go to in RI. I am so grateful for this book and being able to start to see those beautiful tucked away places in RI.

This is a great book for anybody hiking in ri . The price was very good as was the condition of the book

This book is a fantastic resource

Bought for a gift. They loved it.

**Product Description** A gentle hiking guide to Rhode Island's diverse natural and historic treasures. For years Ken Weber has been educating visitors and natives to the historic and natural wonders of the Ocean State. The 40 walks and gentle hikes in this new guide reveal the best terrain the state has to offer, both urban and rural. This guide includes the cliffs of Block Island; the beaches of Ninigret and Napatree; the quiet woods and fields of the Northwestern Corner; the wildlife sanctuaries and islands of Narragansett Bay; and the mansions of Cliff Walk in Newport. The walks range from 1.5 to 9 miles in length, from gentle strolls to more challenging day hikes. Each chapter includes directions to the trailhead, a detailed map, a complete description of the route, and natural and historic highlights you'll see along the way. 30 black & white photographs, 41 maps. **About the Author** Ken Weber, a nature columnist and former editor for the Providence Journal, has been an enthusiastic explorer of Rhode Island for more than 30 years. He lives in Greenville, Rhode Island.
