## Synopsis

Just \$2.99 for a limited time! Regular price: \$4.99 Settled on the northernmost spot in Africa, Tunisia has always been a welcoming land throughout the entire history of the world. Because of this, there is a lot of historical evidence of the many different cultures who have inhabited Tunisia. If we had to say just one sentence about Tunisia at the moment, we would mention that this country, although beautiful and inhabited by great and pleasant people, is not safe for tourists at the present time.
