## Customer Reviews

The title intrigued me, so I opted for a sample to see what prayer shawl options were inside. The sample contained a message that we may not copy patterns; another page listed other book titles; and then a page with ONE word. That's it. I would love a true sample that allows a clue to the content of the book!

Free patterns is a clue. You can find these patterns for free on their website. Just Google the pattern

names. Found out AFTER purchase.

I am trying to crocheting as easy as I knit. Love this book

I brought this pattern to crochet later. I love the shawls and can't wait to crochet.

easy instructions. couple of errors but for most part accurate

This is an awesome book with easy to read patterns 7 in all best part I was able to get it on my Kendal fire for only .99 cents

Very Nice

I would like the symbol chart pattern to be included.
