# JoJo's Bizarre Adventure: Part 1--Phantom Blood, Vol. 3

## Synopsis

The legendary Shonen Jump series, now available in English for the first time, in a deluxe edition featuring color pages and newly drawn cover art! JoJo's Bizarre Adventure is a groundbreaking manga famous for its outlandish characters, wild humor and frenetic battles. A multigenerational tale of the heroic Joestar family and their never-ending battle against evil! The conclusion of the Phantom Blood Arc! Jonathan Joestar and his mentor Zeppelli continue their pursuit of the villainous vampire, Dio! But to get to him, they must first face down his murderous henchmen! In battle after bloody battle, JoJo and Zeppelli are pushed to their limits and beyond!

## Customer Reviews

Hirohiko Araki made his manga debut in 1981 with the Wild West story Busô Fushigiri Poker. He experimented with several genres, including mystery (Mashonen B.T.) and action-horror (Baoh), before beginning JoJo's Bizarre Adventure in 1986. Propelled by imaginative storylines, weird imagery and individualistic artwork, JoJo's Bizarre Adventure is one of the longest-running and most popular shonen manga ever. Araki's current works include a new series set in the JoJo universe, JoJolion.

The final part of Phantom Blood was really good and I just love Dio in the final moments. Hirohiko early art is hard to like at first for people who are spoon fed on the anime but it has its charm. I love his art more and more. I read Part 1 a couple of times now. It's definitely an under-rated part.

Great art style, great story, you'll find yourself falling in love with the characters and story and forget it was even a book. At first it looked weird and as if the show wasn't serious at all but boy was I wrong. Best of all no fillers anywhere

Such a great birthday gift if your significant other is an unlovable weeb

Awesome! Thanks! Love this book!

Well let me say thank you to Shonen Jump with treating this series with absolute respect. All the volumes so far have been done well and the hardcover is a nice bonus. Phantom Blood volume 3 is wonderful as well as tragic. For those of you who want an old epic with some Fist of the North Star influence this story is for you. Please support the release of the JoJoniums and we may get Diamond is Unbreakable (the part after Stardust Crusaders).

Araki's signature artstyle really begins to shine in this volume. Where once the characters had lumpy bodies with eyebrow-raising anatomy comes fully realized art indicative of Araki's meshing of western and eastern art.

I really love JoJo's Bizarre Adventures is my first manga and series that I truly came to love. The cover is beautiful, well is Dio. Hope people get to love this saga. Also hope to get the other parts published in English soon. Overall the quality of this manga is great like the other two from Phantom Blood.

Great
