Peppa Pig And The Great Vacation

Synopsis

Will this be Peppa's greatest vacation ever? Mummy Pig, Daddy Pig, Peppa, and George are off to the warm, sunny seaside. It's too bad Goldie the goldfish can't come along, but Granny Pig and Grandpa Pig will look after Peppa's beloved pet.

There's lots to do on vacation • send postcards, have pizza for lunch, take a nature walk, and of course go to the beach. It's a great vacation indeed, and Granny Pig and Grandpa Pig have taken very good care of Goldie. Maybe too good!

Customer Reviews

Always a pleasure reading Peppa Pig books. My 3 year old loves them. The stories are well written and keep her attention. I enjoy them too.

My daughter loves Peppa and reading, so these books are perfect for her. Good stories with good pictures.

Cute story about a trip with grandparents. Picnic in the woods teaches about nature. Then on to a rocky beach. Loved by my granddaughter!

grandson loves it.

Well, if you are a fan of the show, this book just might annoy you. They have taken about 4 episodes and combined little parts and pieces of them to create this story. They pack for vacation, but instead of flying to Italy, they drive to the seaside. Once there, they take a nature walk, go to the beach and play in the tide pools, and go shopping for souvenirs.

My daughter loves any and all things Peppa Pig. The only complain we have is that it was supposed to come with a coloring poster and didn't.

Great story for young kids, especially Peppa fans.

Our 18 month old daughter loves this book! She brings it to me to read over and over again!
