The Third Plenary Council of Baltimore was an American assembly held in the nineteenth century. Presiding were Archbishop Gibbons, the Apostolic Delegate, in addition to thirteen other archbishops, sixty-one bishops or their representatives, six abbots, and a religious general. Its sessions were held from the ninth of November to the seventh of December, 1884, and were

comprised of twelve decrees. The Third Council is most noteworthy for the vigorous Catholic school building campaign which it spawned, commanding all parishes to provide Catholic education. It also produced the popular Baltimore Catechism for schoolchildren.

very helpful book in understanding our Catholic Faith in an easy manner!

This is a quick read of but an hour or two; it is not a deep read as is St, Thomas Aquinas or Thomas Merton, It is simply a profession of faith; of what we believe as Catholics and with sufficient explanation to lead to long hours of meditation or discussion. It is written at a child's level but really requires an adult's understanding.

Exactly what I remembered from my grammar school days back in the 40's. It has come in handy for instructing a young boy in the fundamentals of the Catholic religion with a problem with reading.

A great tool for studying the intent of a group of people of the world numbering 1 X 10 to the 9th

A great resource.

Love these . Very easy to understand.

Great guide to the Catholic faith. Clearly and concisely presented in a question and answer format.
