The Next Step: Advanced Medical Coding And Auditing, 2015 Edition, 1e

Synopsis

Moving on to advanced medical coding is easy with Carol J. Buck's proven, step-by-step method! The Next Step: Advanced Medical Coding and Auditing, 2015 Edition helps you master coding skills for services such as medical visits, diagnostic testing and interpretation, treatments, surgeries, and anesthesia. Real-world patient cases give you hands-on practice with advanced, physician-based coding. Enhance your decision-making skills and learn to confidently pull the right information from medical documents, select the right codes, determine the correct sequencing of those codes, properly audit cases, and prepare for the transition to ICD-10 with the help of coding author and educator Carol Buck! Dual coding addresses the transition to ICD-10 by providing practice as well as coding answers for both ICD-9 and ICD-10. UNIQUE! Evaluation and Management (E/M) audit forms, developed to determine the correct E/M codes, simplify the coding process and help to ensure accuracy. UNIQUE! Netter anatomy illustrations in each chapter help you understand anatomy and how it affects coding. Realistic patient cases simulate your first year of coding by using actual medical records (with personal patient details changed or removed), allowing you to practice coding with advanced material. From the Trenches boxes highlight the experiences of real-life professional medical coders and include photographs, quotes, practical tips, and advice. Auditing cases prepare you to assign correct codes to complicated records, as well as audit records for accuracy. More than 180 full-color illustrations depict and clarify advanced coding concepts. UPDATED content includes the latest coding information available, to promote accurate coding and success on the job.

Customer Reviews

Love this book, very educational. I've been an RN 20+ years with on-the-job coding experience in case management. I'm reviewing for CPC/CPMA certifications. I've bought several books to study for the certs and I feel this one is by far the best study tool!

This book has great information.

Interested in updating my education

The book arrived in good condition.... loved the price.
