Customer Reviews

Reading the libretto takes one back to the opera. This is a good translation.

For a home product, for the price, this is quite good. I prefer a heavier product altogether, but I was surprised with the quality considering how inexpensive this product is. Coming from a professional background, I'd say this is a great piece to start with. so fast, receive it next day , These shears are very durable and made of high quality material. good quality with low price. jimmy love it ,
