Was given as a gift to my father-in-law as an 80th birthday gift. It was so interesting for all of us to read and learn, and great for him to tell us more about the things we were seeing in the book.

Interesting to see all the facts from the year. My mom loved it as a part of a birthday gift, and other family members started reading and quizzing each other about the facts from the year.

Arrived as described. Great gift for my dad's 80th!
