The Teenage Q&A Book

Synopsis

Honest, frank and straight to the point, youth experts Josh McDowell and Bill Jones jump into the middle of over 230 questions common among teenagers. From "How can I get along with my parents?" to "How can I resist drugs when all my friends do it?" to "How far can I go physically before it's wrong?"-no question is off limits, and no answer is impossible.

Customer Reviews

As a young man, Josh McDowell considered himself an agnostic. He truly believed that Christianity was worthless. However, when challenged to intellectually examine the claims of Christianity, Josh discovered a compelling and overwhelming evidence for the reliability of the Christian faith. After trusting in Jesus Christ as Savior and Lord, Josh's life changed dramatically as he experienced the power of God's love. After his conversion, Josh committed his life to telling a doubting world about the truth of Jesus Christ. After studying at Kellogg College, Josh completed his college degree at Wheaton College and then attended Talbot Theological Seminary, graduating magna cum laude with a Masters of Divinity. Working with Campus Crusade for Christ and founding the youth outreach, Josh McDowell Ministry, Josh has shared the gospel with more than 25 million people in 125 countries. He is the author or co-authored of 147 books.

This book is now greatly "outdated" in terms of cultural references, "pop culture," etc., yet the main principles (based on sound Biblical ones) still apply. I bought this for one of my nieces (in high school in 2016), and I know she'll find some of it to be true wisdom and a great help to her when

faced with tough choices or issues. I wrote a personal "caveat" in the front cover to my niece, asking her to please overlook the now dated cultural references, and instead try to look for the "real treasures" of Wisdom within!

Preachy and outdated. I got The bare facts. Also by Josh Mc Dowell also. That is probably a more modern version of this. I only gave my teenage daughter that one bc I can tell she would not like, nor read this one. So if you are looking for sexual education with a christian perspective go for a more current book.

It was as advertised, contained 100's of questions teens ask and reasonable answers.

My daughter started to read it and got threw the fist half- and wouldnt you know it- the puppy eats it. Am hoping that i can buy her another so she may finish it!

Caught my teenagers attention as soon as I took it out of the box. Written in the way he might ask the questions.

I bought this book as a gift for my 13 year old grandson's birthday. I read some of it, and it's well-written in an easy-to-understand way. I didn't see anything I would object to him reading. I recommend it. EL in NC

It was hardly what I was expecting. My grandson will need be a little older before the will be beneficial to him. He is 12 and the book does say teenage.

Gift for a teenage great granddaughter. Hope she likes it!
