Freedom's Unfinished Revolution: An Inquiry Into The Civil War And Reconstruction (American Social History Project)

Synopsis

From the award-winning authors of *Who Built America?*, *Freedom's Unfinished Revolution* offers a ground-breaking presentation of the Civil War and Reconstruction. Filled with a wide array of original source materials including letters, speeches, excerpts from novels and newspapers, photographs, engravings, art and political cartoons, *Freedom's Unfinished Revolution* arose out of what the Teacher's Advisory Committee has called "the need and desire to create a textbook for high school students that would make the Reconstruction come alive".

Book Information

Best Sellers Rank: #223,987 in Books (See Top 100 in Books) #8 in [Books > Teens > Education & Reference > History > United States > Civil War Period](#) #867 in [Books > History > Americas > United States > Civil War](#) #1976 in [Books > Textbooks > Humanities > History > United States](#)

Customer Reviews

Written by the same group that produced the award-winning college textbook *Who Built America?* this is a creative, resourceful attempt to describe the years of the Civil War and Reconstruction for high-school students. The authors have put an unorthodox spin on the Civil War and its aftermath, highlighting ordinary people, both men and women, white and black, and Northerner and Southerner, instead of featuring the usual monotonous list of battles, wars, and generals that most history textbooks provide. In addition, the text asks readers to consider questions addressing racial equality, moral issues, and other "critical thinking" concerns. Packed with historical documents, photos, letters, engravings, art, political cartoons, speeches, and newspaper excerpts, *Freedom's Unfinished Revolution* is filled with information that is both captivating and easy to read, providing a striking, firsthand account of the war and its aftermath. Kathleen Hughes

Freedom's Unfinished Revolution is filled with information that is both captivating and easy to read, providing a striking firsthand account of the war and its aftermath. (Booklist) REVIEW" Don't call this a textbook; call it a gold mine. -- Gary Nash

Good book on Reconstruction, mainly because it looks at the possibility of a better life for African Americans but also at the lost chances too.
