Customer Reviews

I bought it for our granddaughter, who is learning to play the piano and wanted to learn songs for the Jewish Holidays. She was absolutely delighted to receive this book.

good book, my kids use it with my teacher with every lesson so far so good and why do i have to type so much? lol

Jewish Songs for Children by Sharon Kaplan...is easy to teach and play, which is exactly what I wanted. I wanted to give them some songs to learn that meant something, instead of the standard learning songs in most lesson books.
