Tourists Guide To Cork City And Surrounds

Synopsis

This is a short Kindle guide to Cork City and the surrounding areas. There are hyper links for all places recommended. It is a short and sweet How-To by somebody who was born, raised and lives in Cork City. The introduction includes general information on the city, tips for tourists and a link to a YouTube recording to an drone journey through the city. I have provided links to the official sites for all the key locations, current entrance fee and estimated opening hours. I have broken down the general areas where accommodation is sought. Information is provided on how to get about Cork City, shopping, entertainment, sporting activities and night life (including suggested traditional Irish pubs). Please note the newly launched version of the book, with many slide shows of important Cork places. These will give you a better idea of what to expect and you could even cheat - watch the slideshows and pretend you visited Cork City. ENJOY
