Fun with useful tips for creating bird habitats. Great photos of entranced meows at an arm's (and window pane's) distance. Safe for critters of all persuasions.

At least that's my cat's response. What can I say? Tee hee. It made us smile. Enjoy for yourself and yours.

Great book, had loads of good photo's and ideas for things to do to improve my cats viewing of birds.

Cat lovers understand what must to do for their feline friend. The guide in this book shows very good tips.

What a beautiful cover design. This book is fantastic! Kit and George Harrison another great book.

I loved this book as soon as I saw it--I'm an avid birdwatcher and like cats though don't have one. But I've also given this book as a gift to cat-owners, and introduced birdwatching to their cats!
