Gauguin: Artist As Alchemist

Synopsis

An unprecedented exploration of Gauguinâ™s works in various media, from works on paper to clay and furniture Paul Gauguin (1848â“1903) was a creative force above and beyond his legendary work as a painter. Surveying the full scope of his career-spanning experiments in different media and formatsâ“clay, works on paper, wood, and paint, as well as furniture and decorative friezesâ“this volume delves into his enduring interest in craft and applied arts, reflecting on their significance to his creative process. *Gauguin: Artist as Alchemist* draws on extensive new research into the artistâ™s working methods, presenting him as a consummate craftsmanâ“one whose transmutations of the ordinary yielded new and remarkable forms. Â Beautifully designed and illustrated, this book includes essays by an international team of scholars who offer a rich analysis of Gauguinâ™s oeuvre beyond painting. By embracing other art forms, which offered fewer dominant models to guide his work, Gauguin freed himself from the burden of artistic precedent. In turn, these groundbreaking creative forays, especially in ceramics, gave new direction to his paintings. The authorsâ™ insightful emphasis on craftsmanship deepens our understanding of Gauguinâ™s considerable achievements as a painter, draftsman, sculptor, ceramist, and printmaker within the history of modern art.Â

Customer Reviews

The first book to focus on Gauguinâ™s innately modern response to materials and process, which resulted in innovative works in clay, wood, furniture, and other media.Â

Gloria Groom is chair of European Painting and Sculpture and the David and Mary Winton Green Curator at the Art Institute of Chicago. Dario Gamboni is a full professor at the Université de Genève. Harriet K. Stratis is senior research conservator in the Department of Prints and Drawings at the Art Institute of Chicago. Ophélia Ferlier-Bouat is a curator of sculpture at the Musée d'Orsay. Claire Bernardi is curator of paintings at the Musée d'Orsay. Allison Perelman is research associate in the Department of European Painting and Sculpture at the Art Institute of Chicago. Isabelle Cahn is a chief curator of paintings at the Musée d'Orsay. Estelle Bâgué is painting documentalist at the Musée d'Orsay. Nadège Horner is sculpture documentalist at the Musée d'Orsay. Elsa Badie Modiri is painting documentalist at the Musée d'Orsay.

This is a beautiful catalog of a fabulous exhibition. Gloria Groom has the most wonderful writing skills - she can make a difficult subject so understandable. You will love this catalog and the instillation.
