Irene Levy Baker has spent more than 25 years exploring Philadelphia's nooks and crannies. And now she's ready to share the city's hidden treasures with you. After working for almost a decade at the Philadelphia Convention & Visitors Bureau, she opened Spotlight Public Relations, a public relations firm specializing in restaurants and hospitality. Irene has worked with tourist bureaus in Philadelphia and South Jersey, the 'mayor' of Chinatown, boutique hotels, a historic tavern, celebrity chefs, the nation's first environmentally-smart hotel and one of the nation's largest malls. She has hosted scores of travel writers - the world's most jaded travelers - and noted what surprised and delighted them. And she's about to reveal the city's secrets to you.

Good book with lots of ideas. I live in Philly and have done or seen the majority of suggestions so I recommend it for both tourists and Philadelphians who have forgotten what a great place we live in!

I can't imagine this was written by someone who explores Philadelphia much - way too many generic things, and it misses most of the really cool stuff.

The book was Xmas present for my son! He really liked the book since he lives in Philly!!

This arrived on time, no issues.

I am an isolator so this book seems to be the one book that I want to apply in my life when it comes to going out so far I can see bright light in my outing. I can see this book change my life for the better, because I don't go out to see Philadelphia and I'm interested in looking for adventure. I recommend this book for people like me who live in Philadelphia and haven't seen all the beauty.

Super detailed book about all the amazing things to do in Philadelphia! Thanks so much for writing this book Irene. We live in Philly and will enjoy checking out all the wonderful things you've brought to our attention. Your book will make an awesome holiday gift for our friends here as well.

I bought a pile of these books 1- because it was a fantastic and fun read and 2- it's a great gift for teachers, bdays, xmas Hanukkah and for no occasion. We have lived here over 20 years, thought I knew it all but found a number of gems.

Fantastic book! Beautifully written and extremely useful. A must for anyone who lives in the region.
