Customer Reviews

I was pleased with this study guide. I felt it was organized well and the information presented was helpful. I loved the inexpensive book price. The shipment response time was great! I received my book in less than 4days..Awesome!

Very easy to grasp. No worries with complicated words. Recommends for social workers with English as a second language also. Comes with questions and answers with rational which is a super plus. Already recommended to colleagues who are looking to take Clinical exam. Good book

Fantastic, detailed overview/review and training how to answer the test questions. Great review! Helpful test prep for teaching how to clinically answer questions.

Great!

I really liked the book! It helped a lot to keep focus on the main points to study! Also, the Boole very friendly to read! I really liked the quention practice!

I think this is a great study guide!

I just downloaded the kindle edition and the table of contents is missing. This book does not have an outline of topics covered. Not sure if it's just the electronic copy, or hardcopy as well? Regardless, I'm now stuck with the electronic version.

I thought it was a good study guide
