## Customer Reviews

Very cool how the author has Sammy use the lemons that has grandma had sent him to make lemonade and to sell it then to turn around and sell umbrellas when it began to rain and he had already drank all of his drink. Super story, images and font as well! For all these reasons I wish to recommend this for five stars and for kids 0-8 and or also in grades P-3.: I received this for free and in return, here's my honest review.Great work VI By Angela
