Scotland: Where Golf Is Great

Synopsis

An amazing guide to the best courses in golf's homeland. Every golfer who's worth his favorite putter knows where golf is great: Scotland, birthplace of the game and still its most important shrine, from the splendor of St. Andrews to the regal resort at Gleneagles. Whether golfers actually make the pilgrimage or arm-chair it, *Scotland: Where Golf Is Great* proves indispensable as the most luxurious, entertaining, informative, and exhaustive book on this destination. Written by the bard of Scottish golf, it combines the most authoritative information with the most beautiful prose and the most stunning color photographs—*an* unsurpassed celebration of the places where golf is, indeed, great. Not only is the golf great, but so are the sights, the dining, the lodging—*and* it's all here: the pub lunches and three-star dinners; the country-house hotels and full-service resorts. Jim Finegan's singularly insightful advice includes the very best play-and-stay combinations for once-in-a-lifetime perfect golf days, in this once-in-a-lifetime perfect golf book.

Customer Reviews

Jim Finegan is the author of five books on golf, including *Blasted Heaths* and *Blessed Greens* and *Emerald Fairways* and *Foam-Flecked Seas*. He lives in Villanova, PA.

GREAT VALUE. QUICK DELIVERY. THE NEXT BEST THING TO BEING THERE!

Beautiful Book. Great to see the courses we have played and will be playing soon!

I love the book, including the course descriptions, personal stories, and wonderful photos. The only problem is after about an hour of flipping through it, the binding started to come apart. Not in a major way, but annoying nonetheless. I don't regret buying it though. I plan on playing some of those courses in a few weeks and this book was great preparation for my experience over there.

great purchase

nice to have to get an impression about Golf in Scotland.
