Lost In Translation: An Illustrated Compendium Of Untranslatable Words From Around The World

Synopsis

An artistic collection of more than 50 drawings featuring unique, funny, and poignant foreign words that have no direct translation into English. Did you know that the Japanese language has a word to express the way sunlight filters through the leaves of trees? Or that there's a Finnish word for the distance a reindeer can travel before needing to rest? *Lost in Translation* brings to life more than fifty words that don't have direct English translations with charming illustrations of their tender, poignant, and humorous definitions. Often these words provide insight into the cultures they come from, such as the Brazilian Portuguese word for running your fingers through a lover's hair, the Italian word for being moved to tears by a story, or the Swedish word for a third cup of coffee. In this clever and beautifully rendered exploration of the subtleties of communication, you'll find new ways to express yourself while getting lost in the artistry of imperfect translation.

Book Information

Hardcover: 112 pages

Publisher: Ten Speed Press (September 16, 2014)

Language: English

ISBN-10: 1607747103

ISBN-13: 978-1607747109

Product Dimensions: 6.8 x 0.6 x 7.8 inches

Customer Reviews

A New York Times bestseller."...a fantastic collection of words without English counterparts." --

Entertainment Weekly"...a collection of words you never knew you needed before." -- Huffington

Post "It will make you think, laugh and discover situations you never knew there was a

word for." -- ELLE Canada "Charming illustrations and sheer linguistic delight" -- Maria

Popova, *Brain Pickings*

ELLA FRANCES SANDERS is a twenty-something writer and illustrator who intentionally lives all

over the place, most recently Morocco, the United Kingdom, and Switzerland. She likes to create books with real pages while drawing freelance things for charming people, and she is not afraid of questions or bears. You can find her at ellafrancesanders.com.Â

As the title says, there are some words than can't be fitted into a one word definition in any language but their own. This book provides a delightful assortment of such treasures. The selection is terrific (most of these are really interesting words), the (multiword) definitions are illuminating, and the pictures are charming. A few of the words are moving into my permanent vocabulary: how about "kummerspeck" (weight gained from emotional overeating), or "komorebi" (sunlight shining through leaves)?

I was a little disappointed in the quality/content. I had higher hopes after reading some of the other (rave) reviews. It's okay. Functions as a mediocre coffee table book. Would not recommend.

It is a good idea for a book. However several defects. The calligraphy is not very good, it could have been better. It would have been nice to have some history of the words, set the environment,... All in all I wouldn't recommend it.

I like this little book. Most of the words seemed to come from the Word Porn site, which is actually fine by me. I learned most of them there, and I bet the author of this book did, or is related to Word Porn in some way. This is not a reference book - it is the kind of book you read like you might read easy poetry. Poetry with pictures. Just browse through it on a casual basis and be delighted by what you run into.

Absolutely love this book. Forget how I heard about it, but I borrowed it from the library and decided I had to have my own copy. Fascinating collection of words from other languages that have no counterpart in English (but we could use many of these!). Each word has a definition, a comment about its use, and a fun illustration. I'm such a language/trivia enthusiast that I've even been posting my "Lost in Translation" word of the day on Facebook.

Great coffee table book for those interested in language

I thought the word choices were intriguing, + the illustrations were whimsical charming. In the Kindle

it is frustrating to have to tap each illustration and zoom in to see it better since this book is focused on the illustrations. I know that's how lots of Kindle books are formatted, so it's not really a criticism of the book. I would like to see the hardcover version because I think the reading experience would really be wonderful. Kudos for creating a book that I will re-read often! People who enjoy reading, writing, and learning about other cultures will love this book.

A total waste of money. Plus author does not tell you how to pronounce these special words!! Ugh!
