Haunt Me Studio are based in East London, this is their first book!

Nicholas Cage shows people how to be people, he is the definition of a perfect human being and this activity book is a perfect cross section of what it means to be the big NC, meaning, what is perfection. 5 stars, 10/10, had it the funds, buy again.

This product is a little weird but also quite awesome. There is not a lot I can say about it. Great product if you love Nicholas Cage.

I bought this for a white elephant Christmas exchange, and it was a huge hit. Great product for those who like completely random things.

Is there anything to complain about? Absolutely not other than wishing there was more. Amazing illustrations, beautiful art, AND Cage themed. Boyfriend loved it as a Valentines day goodie. Would make a perfect white elephant gift. Nothing says I love you more than Nicolas Cage.

Lots of different activities, although a lot of them don't actually have anything for you to do.

Bought this for a Secret Santa silly gift and it was the most coveted gift!

I bought this for my son. I told him it's only to be used for inspiration during finals week in college.
Guaranteed straight A's.....

This was such a hit as an off the wall birthday present for my sister who loves Nicolas Cage.
Everyone at the party was laughing looking at it.
