Your Notebook! Ladies Lunch

Synopsis

Imagine you are a working girl in the 1940s, wearing your beaded knit blouse. You're happy as a clam, typing away. Your newest prized possession: a tiny pencil on a small retractable chain, attached to a beautiful pin you carefully attach to your blouse. And just as carefully you remove it when you go to the lunch counter, and wrap it in your handkerchief and keep it safely tucked in your purse until lunch is over. What happens next? Do you write her story, or do you tell one of your own? What happens on your lunch hour? This delightful journal holds all, whether used for journal or planner or lunch counter tallies...
