A Father's Promise

Synopsis

A Father's Promise by Donnalynn Hess is historical fiction set during WWII. Adolf Hitler's ominous statements seem only a distant threat to eleven-year-old Rudi Kaplan until the Nazi forces invade Poland and bomb his home city of Warsaw. Rudi finds out that he is Hitler's enemy not only because he is a Pole but also because he is a Jew . . . and a Christian. Rudi has only his imprisoned father's promise that the family will be reunited after the war. In this Christian fiction book Rudi must learn how to survive in hiding, how to be truly brave, and how to die to himself and trust the God who is mightier than any army.

Customer Reviews

I home-school my son who is 11 and this was part of his reading curriculum for the year. From the very start I was grabbed and felt like I was in the story. I love how it is written from a Christian point of view, It was not gruesome yet was able to "get the point across". We both loved this book so much, he wanted to buy it for one of his teachers at church. He is even reading it again for the 2nd

time. There are so many life lessons that are taught in this book. As an adult I would even say, this is my new all time favorite book. Many of the parts of the books, I have printed out and have placed through the house to read. I have recommenced this to my homeschooling friends and those who don't. I think it should be a required reading for all kids. I wish there were more books by Mrs. Hess!

One of my favorites as a child. I bought these for my students. The story isn't a light one, but it teaches some great truths.

This was an easy read about a painful time in history!!!

Great Historical Fiction!

What .a wonderful book for people of all ages. Several girlfriends read the book after me and I plan on passing it on to my grandchildren

This is an incredible story that truly tells of life as a Jew in World War Two Poland As an adult, I find this truly moving. May I have the heart of Rudi Red this book! It will change your life

I homeschool my kids and we read this aloud together while studying WWII (grades 8,6,2) .We all eagerly awaited the next chapter. The themes of courage and integrity were woven into a great story. We loved the scripture and Gospel message portrayed throughout the story. Highly recommend this book!

My sixth grader really enjoyed this book.
