AirBnB Profit Machine: 25 Ways To Make Money On Every Booking

AIRBNB PROFIT MACHINE

25 Ways to Make Money on Every Booking

ALEXANDRA BLACK-PAULICK

Synopsis

You're about to discover how to take everyone's favorite sharing economy app, AirBnB, and make even more money! If you've been hosting for a while, or thinking about renting out a spare room, you need these easy ways to take maximize every booking. Your profitability doesn't end at check in – that's where all the fun starts! **How To Make More Money on AirBnB** Most hosts end their business mindset once the booking finalizes, yet the needs of travelers don't end when they drop their bags. That's where the true untapped opportunity of the short-term rental industry comes in. It starts with providing tremendous value to your guests. Once you master the art of being a good host, you can implement ways to increase your guest's experience and maximize your earning potential. This book will walk you through 25 different strategies to bolster your success (and profits) on AirBnB. Regardless of if you are an outgoing host or more reserved, there are effective money making approaches that you can start implementing today. After reading this book, you will come away with a strong list of additional services, explore ways to upsell and have a game plan for offering your services that enhances your relationship with your guests (giving you more 5 star reviews). **AirBnB's Growing Potential Today**, AirBnB is the world's largest short-term rental provider. That means countless travelers are searching for accommodations on AirBnB in your region every second. Meanwhile, the billion-dollar global tourism economy keeps skyrocketing as more and more travelers pack their bags. The new sharing economy continues to claim a larger percentage of the tourism dollars flowing through your area. This creates the perfect storm to grow your rental enterprise. Give yourself a platform to thrive in this new economy with these 25 strategies to turn AirBnB into a profit machine.

Customer Reviews

When I used AirBnB in New Zealand, our host walked us to the beach which was a complicated path. This little effort made me a lifelong fan of theirs. This book was exactly what I needed to take the first step with AirBnB on my own! While I love using AirBnB, I've hesitated to set it up in my house because I wasn't sure if it was worth the work. This book takes that hesitation away. With the author's insights, stories and approach, I can see how I can not only rent out my extra room and my house but I now have ideas to easily increase my profits. In addition, with the author's experience and stories sprinkled in, it is almost like a good friend is guiding me through the process. If you're on the fence about AirBnB, or if you're renting out your space through AirBnB, this book will help you maximize your efforts while maintaining happy guests!

After my husband used AirBnB recently while traveling, I was intrigued by the concept. How do people make money? Is it possible to make a full-time business with AirBnB? I found all the answers in this book. It explains very well how to start with AirBnB, and how become a perfect host and impress your guests with stellar services, like transportation, entertainment, baby-sitting and much more. If you provide outstanding service, you will likely get more bookings and happy customers, who would refer your place later. This book is of great quality and also pleasant to read. The author speaks from his own experience and gives a lot of practical advice. Everybody who would like to become a good AirBnB host would greatly benefit from reading this book.

This book introduces 25 excellent ways of increasing your profit from AirBnB by expanding your list of services that you can offer to customers. Some strategies are simple and don't require much spending on them, some are more costly, but they give much more in return - but all of them are developed to increase your profit.

A detailed book on everything you need to know about AirBnB. The author has inserted a lot of

personal experience to the book which made the book a profound work. It's well structured and presents a good set of data for those interested in the topic. Recommended

As an Airbnb host, I had the desire to create a "brand inside of a brand." This book not only confirmed my idea for additional services, it also got me thinking about even more additional services I could offer. I am realizing I am in the hotel business!! If you are just to embark on the Airbnb host journey, this book will be a quick read to help you expand your vision for success.

Information galore for an AIRBNB host. I like how the book looked on the other revenue streams that AIRBNB offers apart from renting.

It is mostly aimed towards high end airbnb properties, but still has many good insights and ideas!

The book reads more like a glorified blog post. Even has affiliate links to earn the author commissions from readers which I find quite unprofessional and amateurish for an 'author'. A lot of the suggestions are theory - untested and utterly impractical,
