Starred Review. Encouraging Christmastime cookie swappers to up the ante with plans for eight themed swaps-including Valentine's Day, bridal shower, garden party and Halloween (plus Christmas)-Usher produces a wealth of eye-catching bakery, decoration and entertainment ideas for hosts of all experience levels. Recipes are helpfully categorized by skill level, time commitment and type, allowing readers to decide quickly if they're up for the task of Eggnog Cheesecake Streusel

Bars, a one on Usher's scale (meaning novice-appropriate), or the mini Chocolate Chai Burgers on Sesame Seed Buns, a considerably more complicated recipe that merits a three. The result is a book that bakers can come back to as their experience and confidence grows, with at least one recipe worth tackling in each theme. Usher's suggestions for transporting cookies via vintage lunch box or Christmas ornament box, and party ideas like dish towels imprinted with vintage postcards, are easy and ingenious, sure to appeal to fans of the Barefoot Contessa and Martha Stewart (no surprise from the designer dessert maker whose work has appeared in *Chocolatier*, *Better Homes and Gardens*, *Bon Appetit* and *Modern Bride*).

AM NOT SURE IF IT HAS BEEN DELIVERED TO ME AND I HAVE PACKED IT. I BOUGHT IT BECAUSE IT WAS LOVE AT FIRST SIGHT AND VERY INEXPENSIVE

I started decorating cookies after reading this book and trying recipes from it. Easy peasy and great tutorials, very good purchase.

A lot of yummy projects, not just cookie cutter ones!

I have bought other less expensive books and really was not happy in the overall book to begin with and then disappointed in the content; but as they say you get what you paid for. I must say that this

book was worth every penny. If you love to bake for your family or friends and enjoy all the oooohhhss and ahhhs when you present them with your creations, this is the book for you. I have loved every page of this book and that is not something I say all that often. I am a true believer that anything can be made better. I will be waiting for the next book to see what they can do to top this one. I know I will be using this book for many many years

Lots of pictures

I really enjoyed this book. She gives very precise details of instructions on how to decorate cookies. Her sugar art is exquisite!

It was a present for my mother since she loves baking and more decoration and she is such in love with this book, super ideas and tips. Julia M Usher is one of the best cookie decorator ever, the videos at youtube are fantastic too.
