# Brushed Back: The Trevor Bullock Story

## Synopsis

Cocky and good-looking, Trevor Bullock was the man. He was a star pitcher, the life of the party, and the girls loved him. Drugs and alcohol were easy to come by in high school, even though his dad was the narcotics captain at the local police department. But that didn't faze Trevor--smooth talking was yet another one of his golden talents. Baseball was his life, and he figured he deserved all the perks that came with it. But God had something else in mind for His wayward child--it just took a while to get his attention. Over the next few years Trevor went to college, played ball, went to church sometimes, partied, was baptized, got thrown in jail, signed with the Philadelphia Phillies organization, and met a girl. The girl. And for some reason, Trevor's relationship with Carissa mirrored his off-and-on relationship with God. But God was still calling the game--He just had to convince Trevor to quit shaking Him off.

## Customer Reviews

Interesting but I bought it for my grandson but no all appropriate for kid to read.

First off I would like to say I'm not an overly huge reader. I don't think I've completely read a book from cover to cover in years but this book was WAY different. I couldn't put it down. My mom was shocked when I would go to bed an hour early just so I could read more about Trevor's life. This story was written with very good detailing. It was so captivating, I really felt as though I was a part of this all happening. If you are into any sports at all then you would like this book a ton, but also if you are one who has goals or dreams set its a great reality check. I learned a lot from it and now want

all my friends and family to read! Great job Ethan and Mardene!

This is a very detailed and an amazing story of God's intervention in a young man's life. Inspiring story that gives us hope for our lost children. Even though fame, fortune and ego can take us to new heights, this story shows how God can still reach us to turn us to something better. Inspiring story. Thanks Ethan and Mardene. Great Job!
