Customer Reviews

We were instructed to order the Kalmus English score for our production, and this is the product I was specifically supposed to order, so that's good. (Note that the German text is on top, so if you are performing the piece in English, you will have to read past the German when learning it.) However... The score is very cramped, it is barely readable and takes QUITE a bit of detective work to figure out who is on what staff when there are multiple people in one scene. I usually hate Schirmer editions (for piano, predominantly), but I would prefer Schirmer over Kalmus.

My favorite music, and also helpful in learning German

Preparing for performance

Exactly what I ordered

I received this product in a timely manner and couldn't be happier with it. It is in great condition. It has both the German and the english translation for the music and the dialogue. I am overall very pleased.
