Customer Reviews

'In this book, R. F. Smith entrusts us with his experience--the profoundly painful loss of a child. R. F. does not give spiritualized answers but honest emotion and reflection, not what to do next but the witness of his own life. From him I learned about generosity, humor, love, and ultimately, faith. 'Sit Down, God' gives courage and comfort for the big and small crisis we all face.' -- Laura Alden, author and friend

An inspiring and helpful book for those who have suffered the loss of a loved one and are questioning their faith. Pastor Smith's honest and heartfelt story of his son's unexpected death gave me hope in dealing with the loss of my son. And he offers validation that anger at God is a common and acceptable response to such a loss.

For anyone dealing with grief, this gives the reader a way to understand a variety of feelings that may stem from grief. I order this a lot for families who experience the loss of their children...way too early in life!

This is an excellent book for anyone dealing with the loss of a loved one. It is written by a Pastor who loses his 18 year old son in a water skiing accident and records his journey through the ensuing grief. It is well written and an excellent guide for those suffering with grief. I first obtained the book in a Church Library where I was visiting soon after my husband and mother passed away. I later purchased a copy for my own personal library. I most recently purchased another copy for the Church Library where I am currently a member. I highly recommend it!

This is an excellent book for a person that has experienced the death of a child or going through some kind of grieving process. I have given this book to several people dealing with loss. R.F. Smith helps people who have experienced the loss of a loved one, whether tragically or unexpectedly, deal with emotions that sometimes they can't yet identify. "Sit Down God, I'm Angry" helps us realize that God can work through tragic situations to bring about good, even though it doesn't minimize the pain and the loss.

thank you

Good reading for the bereaved.

Excellent book for those who are grieving the death of a child. He's been there and knows how it is.

This is a wonderful book. I bought it for my mom for Christmas. She read it in 2 days then passed it on to me. I, too, read it in 2 days. It is a quick read with a phenomenal message. Reading about how the author dealt with his intense anger at God over the death of his son showed me that God is definitely big enough to handle all of our emotions. I would definitely recommend this book to anyone who is experiencing a tragic loss. And, although I, personally, have not suffered such a tragedy, I still found this an extremely helpful book in learning to trust GOD with ALL my feelings and finding my strength and comfort in Him.
