Tiny, cute and lovely!

Great book and wonderful gift.

The book is unusually small; however, it is filled with black/white and colored photographs of fashion. If you like contemporary fashion, you'll like this book.

Great little book. Great price. Received it much sooner than expected. 5 stars!

The book was not what I expected.

My sister starts college soon and is going for fashion merchandising . I wanted to start her collection out with some simple but delightful books and she has had her eye on this one. She says she enjoys it and it is full of wonderful photos.
