Inspiration Perpetual Flip Calendar: Your Ultimate Calling

Synopsis

Thereâ™s a voice in the universe calling each of us to remember our purposeâ”our reason for being here now, in this world of impermanence. The voice whispers, shouts, and sings to us that this experience of being in form, in space and time, knowing life and death, has meaning. The voice is that of inspiration, which is within each and every one of us. Based on the New York Times Bestselling book, this calendar is filled with specifics for living an inspired life. From a very personal viewpoint, Wayne Dyer offers a blueprint through the world of spirit to inspiration, your ultimate calling.

Customer Reviews

Dr. Wayne W. Dyer is an internationally renowned author and speaker in the field of self-development. He has written numerous bestselling books and has created a number of audios and videos. He has appeared on thousands of television and radio programs, including The Today Show and Oprah.

This is a wonderful calendar with daily quotes that inspire us to be our best

My husband and I are both fans of Wayne Dyer and this perpetual calendar will most definitely help to inspire you daily year after year. What a great gift to give as well.

this is very nice packing in box even which i didnt expect would make a great gift even if it is used

A beautiful product, great for personal daily use or for giving as a gift. Fun to sit around the table and flip through discussing each day with family.

I was surprised at my reaction upon opening this calendar.....beautiful box....great for gift-giving. I like the size, colors, and sturdiness - And the thoughts are really great. I especially like the root thought being highlighted by change of color or graphics. A beautiful gift for someone special!

WAS bought as a gift for someone in Europe who could not get it there so she was so excited to receive it!
