Stephen King is the author of more than fifty books, all of them worldwide bestsellers. His recent work includes The Bill Hodges Trilogyâ ”Mr. MercedesÂ (an Edgar Award winner for Best

Novel),Â Finders Keepers, andÂ End of Watchâ ”and the story collectionÂ The Bazaar of Bad Dreams. His epic series, The Dark Tower, is the basis for a major motion picture starring Idris Elba and Matthew McConaughey.Â It is also now a major motion picture starring Bill SkarsgÃ¥rd. King is the recipient of the 2014 National Medal of Arts and the 2003 National Book Foundation Medal for Distinguished Contribution to American Letters. He lives in Bangor, Maine, with his wife, novelist Tabitha King.

Stephen King’s Dark Tower epic is easily one of my favorite fantasy series of all time. It features a wonderful world mixing pretty much my two favorite things: the world-building of Tolkien’s Lord of the Rings & the imagery of Sergio Leone’s Dollar Trilogy. Unfortunately, I hadn’t ever owned the complete series; I read them either through libraries, online or from friends. Having them all in one place where I can burn all my money in one go and re-read them again and again and again is the perfect gift to myself. I’m not usually a fan of movie tie-in editions, but here it isn’t distracting since it still features original covers (not movie stills). You just have to see Idris Elba and Matthew McConaughey’s name on the box. Overall if you’ve never owned the complete set then this is a fantastic investment. If you’ve never read the series and are thinking about buying it on a whim, all I can say that is if you love fantasy, westerns, sci-fi, horror, epic adventure, and characters that you’ll never want to stop traveling with, then stop reading this right now and hit the "order" button.

Got me thru 3 months of segregation in prison.... Great read for those doing a decent amount of time... Glad I had the time.... Only in prison can u read so much so quick, usually uninterrupted, that I couldn’t imagine trying to finish this whole series in the world, unless jobless or Idk.... But you should get in tune with this one!

I’m onto book 2, getting into it, very interesting
