David and Kelly Sopp are the founders of Wry Baby, a small company that sells baby merchandise featuring their unique sense of humor. They are dedicated to making parenting extra fun and have done so with their books *Safe Baby Handling Tips*, *Safe Baby Pregnancy Tips*, and *The New Parents' Fun Book*. They live in Mooresville, NC.

This is a great add-on gift for new parents (or parents-to-be). The instructions and illustrations are hilarious, and the thick "pages" are perfect. Everyone gets a huge kick out of the spinner/Wheel of Responsibility! I buy a few of these at a time (along with the *Safe Baby Pregnancy Tips*) to gift to friends at baby showers and first visits.

Best book for new parents out there. Who doesn't need a little humor when faced with the lack of sleep that a baby imposes? My little girl actually started to learn to read on this book. She was so

amused by the pictures, and eventually recognized the "do" "don't" and "correct" "incorrect!" Fun for all!!

Hilarious book. It's a board book for adults. I bought this as part of my wife's mother's day gift. We got a kick out of it. I wish it were longer, though. The spinner on the front is a nice touch.

Absolutely hilarious parody of user manuals, this time for a new baby. It even includes a spinner on the cover to decide whose responsibility any given task is. Small item, not too many (cardboard) pages. Best used as something more than a congrats card for a "first-time offender."

I got this for a pregnant co-worker/very good friend. Arrived in great condition, none of the issues that others reported. Absolutely hysterical content -- she loved it!

This is my favorite baby shower gift to give. It always makes people laugh. I've read it a hundred times and it still makes me laugh out loud :)

Have given this to several new dads and it is a riot! A great gift for a new dad, that's for sure (as long as they have a good sense of humor). It's very manly indeed!

Perfect book for parents-to-be!
