If you just want factual information (hours of operation, Metro stop) and want to see how things are arranged by neighborhood, then this is for you. Personally, I like a bit of opinion in my guidebooks: must-sees, tips on when to go or how to maximize time, what's overrated, etc. With Google in my pocket now, a guidebook like this isn't a huge value-add.

Great book. Loved the pullout map. Used it everyday of our trip. Love these Eyewitness books. Use them everywhere. Paris, London, New York, Chicago, and now Washington, DC. Always up to date and packed with great information.

This was an excellent travel guide. The way it was organized was very helpful in making the most of our trip.

This is a great travel guide to DC. All the info you need for planning your trip, the museums, neighborhoods, monuments, how to get around by Metro, etc. Will use other Eyewitness Travel Guides to other cities.

Provided everything I needed for a fabulous 5 day walking tour of DC. Even held up, sorta to to my water bottle leak. If you don't mind warped pages.

Great item would buy again.

DK Eyewitness books never disappoint! Love the maps and all the detailed info. Great price - fast shipping!

Some good info.
