## Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Super! It is very nice addition.

Love this series of Disney easy piano books! Yes, there are page turns, but most piano music has page turns. Purchase these, you'll love them!

we found it makes my son want to play, which is good because besides his homework from piano lessons he looks for songs to play and he enjoys doing it as an extra practice. good to all disney movies lovers.
