The youngest of three generations of ministry, Tommy Tenney was born in 1956 and began preaching at age 16. He has spent almost 10 years pastoring and more than 17 years in mobile ministry, traveling to more than 30 nations and most states. Tommy is a well-known revivalist and

has been used to both spark and fuel the fires of revival. He has experienced the miraculous, but more importantly, he knows the value of intimacy with and humility before God. Tommy and his wife Jeannie reside in Louisiana with their three daughters, Tiffany, Natasha, and Andrea. Mark Andrew Olson is a talented writer whose screenplays and other writing have provided a wealth of experience from which to collaborate with Tenney on this novel. He and his family make their home in Colorado Springs, Colorado.

I love Christian historical fiction and this is one of the best books I have read. I have not read anything by this author previously. I will read him again. I had trouble putting it down most of the book. Excellent read!!

loved the book. suspenseful and sad. very well written. great shipping

Loved the book! If you have read the book of Ester you will like the details this novel adds. It brings the story to bigger life!

Being so familiar with the story - and even the movie, it's hard to read with a new slant. The book is MUCH BETTER than the movie taken from this book.

Awesome book. I couldn't hardly put it down when I started reading it.

i watched or read or used the item. You can look at my "star" review. I have nothing else to say about the product. Am I the only one who resents having to type x number of characters and I have to headline my review. Why does force their customers to serve them???

Way better than the movie that was based on this book. Good explanations of why Queen Esther did the things she did.

Mr. Tenney takes a well-known biblical story and adds contextual details that make it relevant and intriguing.
