Customer Reviews

Not until the end, was I ready to let go of these characters. All 5 books had a brilliant balance of realism and fantasy that makes reading one of them in one sitting a must. Very entertaining .

When Blood Demon ends there are so many unanswered questions. Blood Kill answers them and more. The story is so intense that I could not put it down. Every page brought new and unexpected revelations. The only thing bad about this story is that it ended. But did it? I loved this series so

much I am starting to read more of Eric's stories. Keep them coming Eric!

Eric J. Gates is a phenomenal author and a master at his craft! the CULL - Blood Kill is by far the BEST book in this series! Katie and Amy are back and better than ever! This book has well developed characters, mystery, nail biting suspense and intrigue. I was glued to the edge of my seat reading this book, and I didn't want it to end.
