The Ceremonial of Bishops contains liturgical ceremonies and guidelines for all Roman Catholic services involving a bishop. It also includes sound liturgical principles that may be used at any liturgical event, even those without a bishop, since pontifical mass is in some sense a model for all liturgies in the Roman Rite. This hardcover book is an essential resource for every pastor and parish

in the Roman Catholic Church, both for visits by the diocesan bishop and for general liturgical planning.

A must have for Deacons, Priest and Bishops

An excellent reference for any clergy or religious who need to prepare for a Bishop's visit to celebrate Mass at their church. May be a little outdated so it is always a good practice to check with the Diocesan Office of liturgy for updates or Bishop preferences.

Great book for those involved in organizing special Masses throughout the year. Great reference tool.

Excellent book for me to have on hand for the Bishop upon his arrival. Fast service from the seller.

Excellent for Master of Ceremonies or those involved with liturgies where a Bishop is present. It explains everything in great detail so there is no confusion - but if you want more information, almost everything in the book is footnoted, so you can look it up in other Church documents. The key for the footnotes is in the back of the book.

Very good book on procedures.

Just what I was looking for.
