GraceLaced: Discovering Timeless Truths Through Seasons Of The Heart

Synopsis

This Journey Is as Perennial as the Seasons GraceLaced is about more than pretty florals and fanciful brushwork—it's about flourishing. With carefully crafted intention, this beautiful volume of 32 seasonal devotions from artist and author Ruth Chou Simons encourages readers in any circumstance to become deeply rooted in God's faithful promises. GraceLaced extends a soul-stirring invitation to draw close to God while...resting in who He is rehearsing the truth He says about you responding in faith to those truths remembering His provision to sustain you, time and time again. More than 800 individual pieces of art came together in the crafting of this book, including dozens of new, hand-painted Scripture vignettes that Ruth is known for. Who we are and who God is never changes, even though everything else rarely stays the same. Let this book point you to truth as you journey through the changing seasons of your heart.

Customer Reviews

"There is art that is beautiful and which causes you to pause and consider Him -- and then there is that art that so swells with His beauty that you can't help but take off your shoes.

Ruth's art, by brushstroke and pen, is the most exquisite kind of creative expression in that it made me want to put down her work and peer more closely at God. I have a growing list of friends for whom I want to gift this book. It's too good not to share again and again." --Sara Hagerty, author of *Every Bitter Thing is Sweet* Ruth Simons, mama to 6 boys, and one breathtaking artist (our walls sing with her gorgeous, edifying prints), is a mentor to me in many soul, life-giving ways. Have you seen Ruth's paintings? Four of these exquisite wonders hang on walls in our

home...and one of those paintings, God used to lead us through the hardest season...and her Instagram feed? her blog? her book? can be like a gift of manna." --Ann Voskamp, author of *One Thousand Gifts* and *The Broken Way*"How amazing is it, mamas, to have the beautiful, powerful, never-failing word of God all over our homes? I love that Ruth is using her incredible talent to help us follow God's commands so beautifully through her book, *GraceLaced: Discovering Timeless Truths Through Seasons of the Heart*." --Korie Robertson, of *A&E's Duck Dynasty* and author of *Strong and Kind: Raising Kids of Character*

As creator of the popular GraceLaced online shoppe, blog, and Instagram community, she shares scriptural truths daily through her hand-painted artwork and words. Ruth and her husband, Troy, live in New Mexico and are grateful parents to six sonsâ "their greatest adventure.

I knew a book by the talented artist Ruth Chou Simons would be beautiful but this book blew me away!! The artwork and photography is stunning! I have loved following Ruth on Instagram and gleaning her wisdom on parenting, marriage, and life as a Christian. Her words in *Gracelaced* are beautiful, inspiring, comforting, thought provoking, and encouraging. The book made me smile and made me cry. Everyone, no matter what stage of life you find yourself in, can relate to the words in these pages. It is a book I know will remain in my library forever and one I know I will go back to time and time again. I received an advanced copy of this book in exchange for my honest review. And then I bought several copies for friends and family members and look forward to leading a group of women through a study of the book in the near future.

I follow Ruth Chou Simons on Instagram. I've read her words and enjoyed her art and photographs there for quite a while. I was thrilled to hear that she was writing a book and anticipated that it would be both beautiful and insightful. I opened the package to find a rare jewel. *Gracelaced* is full of encouragement for every season of overwhelm. The art is plentiful and lovely. The words are inspiring and true. I look forward to re-reading this book as the seasons turn this year and to gifting copies to my friends. I received an advanced copy of this book in exchange for my honest review. But then I preordered copies to share with my friends.

Gracelaced book is more than just a beautiful book. It is full of truth, beauty and grace! I knew when I ordered the book that it would be full of beautiful art, because I have been following Ruth's blog for

years and have ordered her art in the past. But I was REALLY challenged and inspired by the deep truths she shares in each devotional. I particularly resonated with the overarching idea that before we can serve God, we need to rest in His character first, and remember who we are in Him, second. I not only bought a copy for myself, but I also bought copies for several people for Christmas. It is a devotional I will return to again and again.

When I first heard about this book coming out, I knew it would be good- Ruth's blogs and social media posts always speak to my heart with deep truths. I was very excited to hear she wrote a book! The book made me feel peaceful, understood, and like God was whispering His truth to me specifically and tenderly. Because it is written in the format of a devotional, it will be very easy to refer to many times in the future for my own heart and in ministering to others. It is beautiful and lovely, and I want everyone to own it. I received an advanced copy of this book in exchange for my honest review, but then I bought copies for my friends. :)

This is perhaps the most beautiful book I've held in my hands in a very, very long time. More than that, though, this is a book that's overflowing with truth and encouragement, regardless of the season of life that you're in. Ruth Simons has engagingly communicated the truth that God is present and faithful in every part of our lives through words and images, and the outcome is stunning. This would make a lovely gift for yourself or for anyone in your life. I can't recommend it more highly.

This book is encouraging, theology sound, & a joy to read. This would be a beautiful gift for all the women in your life (& I'm betting you'll want a copy or two for yourself as well!). Ruth's art throughout each page makes the reading experience such a delight and adds so much joy to the book. This is a keepsake for sure. Beautiful, simply beautiful!

What a treasured keepsake this book has become. It is beautiful to look at, yes. But more than that, it is full, page after page, of the rich truths of the Gospel. Want my advice? Get the book, and a second copy for a friend. It is 100% worth it. Note: I was given this book in exchange for an honest review. But I am planning to buy several more copies for friends, it is so good!

This book is spectacular! It showcases beautiful artwork and wonderful writing! I've ordered more copies already! This will be on my coffee table for all to enjoy and in the mailbox to my love ones

ASAP!
