A cookbook about the Paleo diet. While it does give an explanation of the Paleo diet, the real core is the vegan recipes that are well written and look rather tasty. Although I'm not a vegan, I think some of these recipes deserve to be tried out.

Hope you will enjoy reading this book and learn plenty of information to help you get started on the Paleo diet by yourself. From the book you will learn the Paleo diet and its many health benefits. You will also get several recipes from the book. And, these recipes may give you much pleasure.

This Paleo cookbook is the perfect fit for the both the seasoned Paleo devotee, and those just starting to discover this way of life. It gives you everything you need, whether you're looking to make a lifestyle change by fully immersing yourself in the Paleo Diet, or whether you are simply looking to try new recipes that improve overall heart and digestive health. I highly suggest these recipes to anyone who wants to revamp their life completely will still keeping the food delicious.

I love the recipes in this book! They are easy to implement, and most of the ones that I have tried don't require a bunch of strange ingredients, especially once you're accustomed to using paleo substitutions for certain items. This is the best paleo cookbook I have ever seen or bought. Definitely worth the money, and it's great price to start out with. I highly recommend this book.

Paleo Diet offers a deductively investigated, direct, balanced, and wellbeing advancing lifestyle choice. The tips given are really valuable so you'll have the ability to apply it. I will exceedingly propose this book to the dominant part of my mates who should be physically fit and sound. T

This Paleo cookbook is the ideal fit for the both the prepared Paleo enthusiast, and those simply beginning to find along these lines of life. It gives you all that you require, regardless of whether you're hoping to roll out a way of life improvement by completely inundating yourself in the Paleo Diet, or whether you are essentially hoping to attempt new formulas that enhance general heart and stomach related wellbeing.

Great book on Paleo Cookbook. Health problems was the reason! This book gives U all the basics .I am 66 & my husband is 80 and we are ready to get rid of foods that are not good for us. Looking to feel much better & improve our health..Recommended to all.
